CARATTERISTICHE TECNICHE

TECHNICAL CHARACTERISTICS

Composizione	<i>Composition</i>		85%PVC 7%PL 7%CO 1%PU
Altezza	<i>Width</i>	cm	140 ± 2%
Peso	<i>Weight</i>	gr/mq	680 ±5%
Resistenza all'abrasione	<i>Martindale</i>	cicli/cycles	> 100.000
Solidità allo sfregamento	<i>Color Fastness</i>	ISO 105X12	secco/dry 4/5 unido/wet 4/5
Solidità alla luce	<i>Lightfastness</i>	UNI EN ISO 105-B 02	6

I dati relativi alle caratteristiche tecniche anche se riportati con la migliore approssimazione sono da considerarsi indicativi.
The specifications are as near as possible to the real ones, the same are to be considered approximate.

RESISTENZA AL FUOCO

Fire Resistant

CLASSE 1.IM	PASS
BS 5852 CRIB5	PASS
IMO FTP CODE 2010-307 PART 8	PASS
CALIFORNIA TEST TB 117 sez. E part. I	PASS

PULIZIA: Pulire la superficie con panno bianco imbevuto di acqua tiepida, non usare detersivi abrasivi, alcool o solventi aggressivi. Rimuovere le macchie colorate, quali vino, caffè, the e similari utilizzando carta assorbente non abrasiva, inumidendola con acqua e cercando di rimuovere quanto più possibile la macchia, strofinando delicatamente con movimenti circolari dall'esterno verso l'interno.

CLEANING: *Please regularly clean with warm water by the use of a white cloth. Do not use abrasives cleaners or solvent. Remove the colored stains, such as red wine, coffee, tea and similar by the use of non-abrasive blotting paper, wetting it with water and trying to remove as much of the stain as possible by rubbing gently with circular movements from the outside inward.*

Avvertenza: *I colori chiari non devono essere messi a contatto con tessuti e capi d'abbigliamento trattati con coloranti non fissati (es. denim) o con scarsa solidità di tintura, al fine di evitare macchie e aloni di colore la cui rimozione non può essere garantita. Vi informiamo di non poterci ritenere responsabili di danni causati dall'uso improprio dei nostril articoli*

Warning: *Light Colors should not be placed in contact with fabrics or garments treated with non-fixed dyes (e.g. denim) or with poor color fastness, in order to avoid stains and color transfer marks, the removal of which cannot be guaranteed. We hereby inform you that we cannot be held responsible for any damage caused by improper use of our product*

Reserves the right to update the color range and to improve the technical properties of the product without any notice. The above-mentioned data correspond to average and cannot be considered as a contract document.

Customer shall have communicated to Seller all necessary information to ensure (a) the adequate elaboration of these specifications and (b) relative to the transformation and/or the final use of Goods Customer. Customer is not release from his obligation to test Goods supplied by Seller as to their suitability for the intended processed and uses. The use and processing of Goods are undertaken solely at Customer's risk. Seller shall not be liable for any loss of processing expenses, loss of production, loss of revenue and/or any other consequential or special loss or damage directly or indirectly sustained by Customer or by any other person whatsoever.
